**Re: SDNY – Case No.: 7:23-cv-02847-PMH / Federbush v. King
Request for Time and/or Date Change of Court Settlement Conference**

Your Honor:

This is a request for a time or date change of the Settlement Conference per
Your Honor's Order dated April 16, 2024.

The court settlement conference is scheduled for May 15, 2024 at 2:30 pm. My
client Alan Federbush is unavailable at that time (he is a lawyer and has an ordered
deposition in a Federal civil cause). We would respectfully request that the court
settlement conference time be moved to 9:30 am/10:00 am on the same date of May
15th, or to May 14th in the am or pm, or to May 16th in the pm or to May 17th in the pm.

Your undersigned, who so accordingly advised defense counsel, Mr. Nathan
Losman, Esq., via email at 1:44 pm yesterday (no response yet), is dispatching this
request without further wait so this scheduling conflict may be able to be accommodated
accordingly as it pleases the Court.

Thank you for your time and consideration.

Respectfully Yours,

MICHAEL MANOUSSOS & CO PLLC
